

PRESS RELEASE

2nd October 2015

EIM welcomes new Director-General of DG MOVE, Mr. Henrik Hololei

EIM – the Association representing the European Rail Infrastructure Managers – would like to welcome the new Director-General of the European Commission’s Directorate General for Mobility and Transport (DG MOVE), Mr. Henrik Hololei.

EIM is looking forward to a fruitful cooperation with Mr. Hololei to effectively tackle the most compelling challenges and opportunities as well as work toward a single European rail market.

EIM’s acting President, Antti Vehviläinen, has said: – *“We warmly welcome Mr. Henrik Hololei as new Director-General at DG MOVE. We are all looking forward to closely working with him and his team toward an innovative and thriving single European rail market”*–.

EIM, the association of European Rail Infrastructure Managers, was established in 2002 to promote the interests and views of the independent infrastructure managers in Europe, following the liberalisation of the EU railway market. It also provides technical expertise to the appropriate European bodies such as the European Railway Agency. EIM’s primary goal is promoting growth of rail traffic and the development of an open sustainable, efficient, customer orientated rail network in Europe.
